

# Merry Christmas

It's been an interesting year which seems to have flown by with so much happening around the world. Real estate has been similar with some big increases in prices and now a bit of a settling down period to catch it's breath. October saw a correction in sales whilst November has been solid and there are signs that December will remain steady too.

Looks like summer has finally arrived and hopefully we'll get some settled weather over the Christmas break. Thanks again to all of you who have supported us through the year as without your loyalty we wouldn't be where we are. We hope you all have a Merry Christmas, a fantastic New Year and look forward to any real estate enquiries you may have in 2017.

## 2017 CALENDAR

It seems as though time flies by ever so quickly so to keep track of where you're at over 2017 we hope you enjoy our New Zealand artist inspired calendar. We know most of us use our mobile phone these days but we still find there is appreciation of receiving a visual one.

Best regards
