

Property Search Database

Property and Rating Information

Welcome to Hamilton City Council's property search database where you can find property and rates information.

The information displayed for each property is taken from Council's rating information database (RID) and rates record. The RID is a list of information that is used to set and assess rates on a property (rating unit) in a particular year. [If you're unsure of the address you can search using our map here.](#)

The full rating information database, which includes owners names and postal address (unless other suppressed), is available for inspection on the ground floor of the Council Municipal Building, Garden Place, Hamilton.
