

Rating Information Database

Waipā District Council RID

Wednesday 1 October 2025

This online rating information database contains publicly available rating information for properties in the Waipā District Council district only. Please note that the Waipā District Council rates only those properties that are in our database by 1 July. If the property that you are looking for is relatively new (ie added since 1 July) then you will not find it when searching here, as it is not rated until the rates are determined on the coming 1 July. For specific details, please contact the Rates Department on 0800 924 723.

Glossary:

UAGC: Stands for a Uniform Annual General Charge. This is a fixed charge applied to each separately used or inhabited part of a rating unit; for example a block of flats, an additional dwelling or unit, separate businesses located within one rating unit. A UAGC is applied to ensure every ratepayer pays a minimum contribution for council services.

Targeted Ward Rate: Targeted ward rates are charged to property owners on a uniform per-rating unit basis in each ward in the district.

Capital Value General Rate: Capital Value rates are based on the capital value of your rating unit (meaning those with higher-value rating units pay more than people with lower-value rating units).

Note:

By law, all people who pay rates to their own local council must also pay rates to their regional council. This has been the case since 1989. These rates are invoiced annually around September by Waikato Regional Council. Please use the Find Out Your Rates web page - <http://www.waikatoregion.govt.nz/Council/Rates/Find-out-your-rates/> to find out what the rates will be for the financial year (1 July to 30 June). For further information regarding the Waikato Regional Council rates, please email rates@waikatoregion.govt.nz or phone 0800 800 401.
